# ATHLETE APPLICATION FORM

---

The late John Heilig was one of the most passionate people in the Sea to Sky region for all Nordic sports, especially when it came to the disciplines of Ski Jumping & Nordic Combined. John was known all over the world for his knowledge and expertise in these two disciplines, and was the go-to person when major international events were being planned.

John was a key member of the team during the 2010 Olympic and Paralympic Winter Games, after the Games he became the Sport Manager at Whistler Olympic Park. During his time with Whistler Sport Legacies John focused on introducing new participants to the Nordic sports and advocating for all Nordic disciplines. He loved being on the snow, always passing on his knowledge whether teaching fundamentals to beginners or providing technical advice to seasoned athletes, or when working on sport events and program delivery.

The John Heilig Bursary has been put in place by Whistler Sport Legacies to honour John's passion and his commitment to winter sports, and to continue his efforts in developing the next generation of Olympians/Paralympians. Two \$2,500 bursaries are awarded annually to two deserving athletes. These funds are to assist athletes on their journey towards becoming a high-performance athlete to represent Canada.

This application will ask the following from bursary applicants:

- ✓ **Short Essay** describing what you hope to accomplish in sport and how the John Heilig Bursary will help you in achieving your goals
- ✓ **One Letter of Recommendation** from your coach outlining the coach's endorsement of you as an athlete (i.e. work ethic, attitude, and what you would bring to the program etc.)
